PURPOSE OF REPORT:	<p>At the January 2018 meeting of the North East Lincolnshire CCG Joint Co-Commissioning Meeting, a number of locally commissioned services had been recommended for commissioning for a further 3 years (to end of March 2021). This recommendation was approved by the Committee, but further background detail was requested.</p> <p>The attached papers set out further detail for each of those schemes. Members are asked to note the update and confirm that they are still content with the decision made to continue these services for a further 3 years.</p>
Recommendations:	<p>The Joint Co-Commissioning Committee is asked to:</p> <ul style="list-style-type: none"> • note the update for each scheme • confirm that the decision to continue each scheme still stands.
Sub Committee Process and Assurance:	N/A
Implications:	
Risk Assurance Framework Implications:	There is a risk of increased costs and activity within the acute care setting if these schemes are not continued.
Legal Implications:	N/A

Equality Impact Assessment implications:	<i>An Equality Impact Analysis / Assessment is not required for this report. NO</i>
Finance Implications:	The current costs of these schemes are covered within the primary care budgets.
Quality Implications:	Annual audits are required to demonstrate the quality of the service(s).
Procurement Decisions/Implications (Care Contracting Committee):	These are general practice, list-based enhanced services, mostly funded through PMS reinvestment monies.
Engagement Implications:	A sub-group, including clinical representation, has supported the review of local schemes. Potential changes are discussed at the GP Provider Development Group.
Conflicts of Interest	<p><i>Have all conflicts and potential conflicts of interest been appropriately declared and entered in registers which are publicly available? Yes /No.</i></p> <p><i>Please state any conflicts that need to be brought to the attention of the meeting.</i></p> <p>All GPs on the Committee who are working within a practice delivering these services should be excluded from the decision.</p>
Strategic Objectives <i>Short summary as to how the report links to the CCG's strategic objectives</i>	1. Sustainable Services The primary care services support the delivery of care closer to home and reduced reliance on secondary care services.
	2. Empowering People
	3. Supporting Communities
	4. Delivering a fit for purpose organisation The primary care schemes contribute to the effective use of resources and overall management of the CCG's financial position, as they avoid secondary care activity costs.
NHS Constitution:	 NHS_Constitution_WE B.pdf <i>Does the report and its recommendations comply with the requirements of the NHS constitution? Yes</i> <i>If Yes, please summarise key issues</i> Improved access to services.
