Information regarding North East Lincolnshire patient's currently in receipt of In Vitro Fertilisation (IVF) services

As you are aware, following a review by the CCG of its IVF support to 3 cycles the local GP commissioners were consulted on the issue.

At the Council of members meeting on Thursday 6th August 2015, it was agreed that with effect from the 7th August 2015, North East Lincolnshire CCG would move to only funding once cycle of IVF.

Transition arrangements have been put into place for those who are currently on an IVF pathway and information provided to them. We have also contacted providers directly to make them aware of the decision.

If you would like to discuss the decision in any more detail please do not hesitate to contact Michelle Barnard at michelle.barnard@nhs.net.

Yours sincerely,

Cathy Kennedy
Deputy Chief Executive
North East Lincolnshire Clinical Commissioning Group
